Day 2

Wrap-up

Instructor Training 'Checkout Procedure'

1. For a SWC/DC lesson, either
   - Submit a change request to fix issue or suggest improvement
   - Provide feedback on issue or pull request
2. Participate in hour-long group discussion of lesson
3. Demonstrate live coding in group session

- Find more detail at:
  - http://swcarpentry.github.io/instructor-training/checkout/

Be a Group Discussion Leader?

- Low effort
- Can generally fit to your schedule
- Lead an hour long discussion about materials

- More info at
  - http://swcarpentry.github.io/instructor-training/guide/
- If you're interested, add your name to the list

Lesson Material Format

- We use Markdown

1. If you've submitted an exercise, format it as a quoted block:

```
> ## This is the heading {.challenge}
>
> This is the content
> It can span multiple lines
```

2. If you're submitting a diagram, put image in 'fig' subdirectory, referencing like so (SVG preferred):

```
![text title](fig/figure.svg "alt text")
```
